

## Circulation Policy

### Types of Cards

#### **Adult Resident Library Cards**

Residents of the City of Joliet may apply for a Library card by completing an application and providing current proof of identity and residency. A valid government issued document with photo, such as a driver's license, state identification card, passport, or Consular identification (CID) cards, is acceptable proof of identity. In the absence of a current valid government issued photo ID, any photo ID that shows one's full name in addition to one of the following documents showing the applicant's current address will be accepted:

- Current government issued document, such as a driver's license or state identification card
- Current voter's registration card
- Utility bill
- Current bill, such as a credit card bill
- Closing papers or lease

Post Office Boxes are not acceptable as proof of current address. Handwritten documents will not be acceptable for verification purposes. If you have one piece of identification that verifies both identity and current address, such as a driver's license, that one piece of identification may be used to meet both requirements.

#### **Youth Resident Library Cards**

Juveniles, ages 3 through 17, must have a parent or legal guardian present proof of identity and residency. A parent or legal guardian must sign the application and library card for each juvenile card holder. Parents or legal guardians are required to either approve or decline a minor's right of access to public computers and/or access to the Digital Media Studio during the application and renewal processes, or anytime in between. The parent or legal guardian who signed the original application must be present when renewing the account. The juvenile must be present to obtain a card. A resident card is valid for 3 years. Children of shared legal guardianship may have up to two Joliet Public Library cards or two library cards within the Pinnacle Library Cooperative, based on the permanent addresses of their respective parents or guardians.

### **Digital Media Studio and Unfiltered Computers**

Patrons under the age of 18 must have signed permission on file in order to access unfiltered computers and the Digital Media Studio. Parental Internet Access Consent forms and Digital Media Studio waivers are to be filled-out in person and by the parent or legal guardian that signed for the library account. A valid government issued picture ID is required.

### **Youth Non-Resident Library Cards**

The Cards for Kids Act is an amendment to Illinois Public Library Non-Resident Services that allows students in prekindergarten through 12th grade to obtain a Library card with full borrowing privileges free of charge if they participate in the Federal Free and Reduced-Price Meal Program at school. Cards covered by this Act will only be registered in a student's name and are good for one year.

Letter of free and reduced lunch eligibility received from the Illinois State Board of Education (ISBE). If you have misplaced this letter, please request documentation from your school. Illinois State Law requires this information to determine eligibility. A card cannot be issued without this information.

### **Household Non-Resident Library Cards**

Residents of Illinois in an area that is not taxed for public library service may purchase a non-resident library card. Non-resident cards are subject to the same requirements as resident library cards. Each member of the household is entitled to a non-resident card upon payment of one household non-resident fee. A non-resident card is valid for one year from the date of issue. The non-resident fee is determined annually by the Library Board, in accordance with **Illinois Public Acts 92-0166, 75 ILCS 5/4-7(12) and 16/30-55. 60):**

*The factor for determining the closest public library shall be the residence of the non-resident. Non-residents shall apply at the participating public library in the school district in which the non-resident has his or her principal residence unless, due to the commonality of community interests, library services at another library that is physically closer may better serve the needs of the non-resident.*

**Non-Resident Taxpayer:** *The library tax rate or equivalent, including all special levies, is applied to the non-resident property owner's principal residence assessed valuation on an individual, case by case basis. The most recent property tax bill will be used. The property owner will pay the same amount as would be paid if the property were in the library service area.*

**Non-Resident Renter:** *The library shall either charge a minimum of 15 percent of the monthly rent as the annual non-resident fee, or devise its own formula. The local formula shall take into account the average local rent of the general community of the public library, the property tax rate, and the non-resident fee for residential homeowners. The library board shall annually determine the percent to be applied to non-resident renters.*

*The renter shall provide to the public library a current rent receipt or a canceled rent check for verification purposes.*

Joliet Public Library has adopted the Tax Bill Method for both homeowners and renters located outside of the taxing boundaries of Joliet Public Library. As such, non-resident taxpayers are asked to multiply the City of Joliet's current library tax rate (.00###) to their equalized assessed home value, or to multiply the City of Joliet's current library tax rate (.00###) by their yearly rent.

### **Resident and Non-Resident Property Owner Library Cards**

Property owners with proof of payment of Joliet Public Library taxes can apply for a Joliet Public Library card. Non-resident property owners are subject to the requirements for obtaining a Joliet Public Library card according to the model stipulated in the Non-resident section above. Non-resident property owner cards are valid for three years from the month of issue. Library cards are only issued to the property owner(s) listed on the tax bill.

### **Business Owner Library Cards**

Business Library cards are offered to businesses that own or rent property located within the taxing areas of Joliet. Non-resident business owners are subject to the requirements for obtaining a Joliet Public Library card according to the model stipulated in the Non-resident section above. Business cards are valid for 1 year.

The business owner or manager may apply for a card in person by filling out an application. A document or letter issued by the administrator or owner and presented by a business employee, thereby giving permission for the library to create an account on behalf of the organization, may also be considered. One item of current documentation that shows the signer's name and the name and address of the business must be presented to furnish proof of business operations, such as a business license, property tax bill, utility bill or lease agreement. A current photo ID such as a driver's license or state identification card of the business owner, manager, or person granted permission to apply for a Business card, is also required.

### **Institutional Library Accounts**

Institutional accounts are offered to educational, civic, and non-profit organizations that own or rent property located within the taxing boundaries of Joliet. Institutions which reside outside of the taxing areas of Joliet, or which are civic and do not pay, can receive public library services through the implementation of Intergovernmental Agreements, which must be approved by the Joliet Public Library Board of Trustees, and the organizations' governing Board. Institutional cards are valid for 1 year. This card is not intended for personal use.

### **Educator Library Cards**

Educators who personally live within the City of Joliet library taxing boundaries may apply for an educator library card, which can be used to check out materials and to access Joliet Public Library's electronic databases. When this is the case, the Library user must present current acceptable identification before being permitted to check out library materials. Library cards may also be barred when the card is expired or when information on the registration form is missing or incorrect. The Library reserves the right to associate and block accounts that are utilized by an individual other than the cardholder.

### **Holds**

Due to shelf space, there may be a limit on the number of items the Library will keep on the holds shelf for any individual patron.

Adult patrons can select authorized users to pick-up holds on their behalf. Authorized users must be listed on the account and present their identification at pick-up.

### **Borrower Liability**

Library users are responsible for all materials checked out on their card. Parents or legal guardians are responsible for all materials checked out on juvenile accounts. The Library is not responsible for damage to personal property due to the use of materials.
