GETTING STARTED WITH BIBLIOBOARD

eContent
through your library

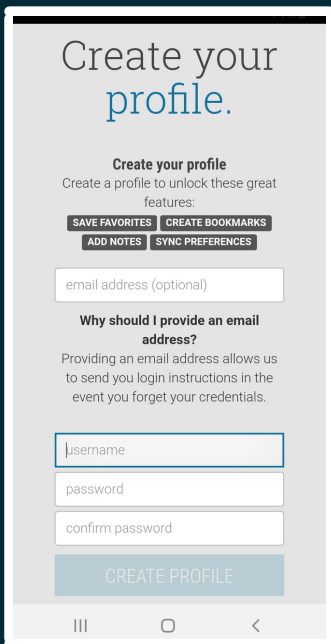

1 Download the Bibliboard app from the app store

Depending on your device, this could be called "App Store," or "Google Play Store."

2 Open the Bibliboard app

Bibliboard uses geolocation to show you the closest libraries that offer Bibliboard. No library card needed!

Tap the Menu to create an optional profile if you would like to save favorite content.

3

Start browsing!

Tap a book cover to start reading or add to your favorites. Tap an Anthology cover to explore more content.

4

Keep browsing

Tap the Menu to see other libraries near you that offer Bibliboard content. Some curated collections are available for a short time and new content is added frequently.

5

Enjoy!

You can begin enjoying your checked out items immediately! To see materials you have checked out, tap the "My Stuff" icon at the bottom of the screen. Tap any item to start reading or listening.

Frequently Asked Questions

- **Will I have to put items on hold?**
No! Bibliboard content is always available to read or listen immediately.
- **How long do items check out for?**
There are no check outs! Bibliboard content is always available.
- **Can I read my book on my Kindle or other eReader device?**
If you have a tablet eReader (Kindle Fire, NOOK Tablet, or other similar devices) you can download the Bibliboard app from your app store. Currently, Bibliboard does not support eContent delivery to traditional eReaders such as Kindle Paperwhite, Kobo, and NOOK Glowlight.
