## Frequently Asked Questions

- **Will I have to put items on hold?**

Yes, if the item is checked out. Borrowing eBooks and eAudiobooks is similar to checking out physical books: there is one copy per patron.
- **How long do items check out for?**

eBooks and eAudiobooks check out for 14 days. Items can be renewed if no one else is waiting.
- **Can I read my book on my Kindle or other eReader device?**

If you have a tablet eReader (Kindle Fire, NOOK Tablet, or other similar devices) you can download the Boundless app from your app store. Currently, Boundless does not support eContent delivery to traditional eReaders such as Kindle Paperwhite, Kobo, and NOOK Glowlight.
